Why choose us?

Exceptional pre-vocational training that works

Focus on strengths, transferable skills and unique abilities

Career support to meet the expectations of local employers

Support to gain skills, employment and advance your careers

Our Trainers are leaders in the sector

Our delivery of EPA

AETS will improve your employment prospects through an innovative program which focuses on job searching for the current and future labour markets. During this activity you will:

Undertake an individual assessment of your selling points

Be challenged by our innovative Team Based Learning program

Enhance your digital literacy, to ensure your job search is effective

Be exposed to our extensive network of employers and industry leaders

Understand how to protect yourself from cyber security threats

Identify progression pathways including traineeships and apprenticeships

EPA will be delivered in a 2-week training block over 4 days per week at 25 hours face to face. Alternative part-time participation hours of up to 15 hours per week will be accommodated for jobseekers requiring this.
