

ACCESSING YOUR LEARNING PORTAL

Each course has its own learning portal for students to access all the learning and assessment material need for the course. To ensure you access the correct learning portal for *your* course use the following table and instructions. If you are having any difficulties, please contact our student support team via the online Student Area for assistance.

- STEP 1 ► Find the course or traineeship you are enrolled into
- STEP 2 ► Visit the Learning Portal website address to reach the Login Page
- STEP 3 ► Use the User/Password details provided in your welcome email to login
- STEP 4 ► If you do not have these, click on 'Forgot password' to reset your password (just make sure you use the same email you enrolled with).
