## INTAKE DATES

There are 4 intake periods per year for this program. A program's 'live' learning sessions will commence the first week of each term. Note, it is still possible to commence the program *after* a term has started, as participants are able to access recorded sessions they have missed and private tutor support if required.

## DURATION + TERM DATES

The student then has a further 5 'extension terms' that may or may not be needed to complete their program. This allows a participant to fast track and complete their program earlier in 9 months.
