Course Spotlight

Aged Care

This qualification will provide you with the skills and knowledge to be effective in an aged care worker role in a residential setting.

You will learn to use a person-centred approach to assist with personal care by following individualised plans to look after the elderly.

By promoting healthy lifestyles and supporting their emotional wellbeing, you will discover how to empower and facilitate the independence of older people.

Course Duration and Delivery

The 12 month program is delivered in shorter, more manageable terms of learning.

This allows you to focus on specific sections of the program at one time. These terms also provide the perfect ‘check point’ over the duration of the program to monitor and support your progress.

Each term, you will enjoy an innovative 360 degree learning experience.

After a program orientation session, you will engage in online group workshops and tutorials, online activities, and have access to on-demand support as required.

You will also gain hands-on experience from your industry work placement which includes a check-in visit from your trainer.
